

RISE license price list for schools and teachers

Valid from January 1, 2024
Version 4.0

Scope of services

BFH grants the licensee an exclusive, fee-based licence to use RISE for their own personal use and for teaching activities. With the purchase of the licence, software access to the RISE method, working materials and support are provided. Depending on the choice of the annual licence, a certain number of user accounts is acquired with which an unlimited number of farm surveys (= questionnaires) can be created.

² The prices refer to an annual license. Prices in Swiss Francs (CHF) are inclusive of 8,1 % VAT. Prices in Euro (EUR) are exempt of Swiss VAT pursuant to Article 23 of the Federal Act on Value Added Tax (VATA). Prices in CHF excluding VAT are the basis for conversion into US Dollars and Euros, calculated using the exchange rates of January 1, 2024 (1 EUR = 0,93 CHF; 1 USD = 0,84 CHF).

³ After concluding the contract, additional user licenses or licence packages can be added to the RISE licence. For this purpose, please contact the RISE support service (rise@hafl.ch). Additional license packages purchased after conclusion of the contract will be charged starting with the basic price. The terms and prices of the additionally purchased services are adjusted to the contract term of the RISE licence.
